

MARIANO III ONGKAS

UI / UX DESIGNER | WEB DESIGN

Matti Binaton, Digos City

09672493309

marianoongkas17@gmail.com

Motivated IT student seeking a UI/UX Design Intern role within a company that prioritizes mentorship and professional growth. I specialize in bridging the gap between visual design and technical development using Figma and HTML&CSS. I am eager to apply my work ethic and technical skills to a team that helps individuals build their expertise and grow professionally.

EDUCATION

Bachelor of Science Information Technology

2022- PRESENT

University of Mindanao Digos College

SKILLS

DESIGN

UI/ UX Design
Wireframing
Figma & Canva

DEVELOPMENT

HTML & CSS3
Laravel (Basic)
Visual Studio Code

EXPERIENCE

AIME'S PRINTING PLACE

2022 - 2023

- My role involves optimizing printing workflows, providing excellent customer service, and performing graphic layout for various projects like tarpaulins and event invitations

RELEVAN EXPERIENCE & PROJECTS

E-COM SENTINEL (BROWSER EXTENSION)

2025

Capstone - Projects (Co-Lead)

- I collaborated closely with our Lead Designer to ideate, prototype, and finalize the user interface for our capstone project.
- Establishing a cohesive design system to ensure visual consistency across all modules of the application.
- Also reorganizing the technical writing and system documentation.

EVERGREEN ASCENT (SCHEDULING SYSTEM)

2025

Co-Lead Designer

- Cooperated in the creation of responsive user interfaces for Admin, HR, and User portals with Tailwind CSS inside a Laravel framework.
- Worked together on constructing complicated visualizations to make the recruitment workflow more user-friendly.
